

# The U.S. Commercial Service and FedEx present “Automotive Sector Webinar: Minimize Regulatory Bottlenecks On Your Exports”

U.S. COMMERCIAL SERVICE  
WEBINAR SERIES

## Automotive Sector

U.S. exports of automotive parts and accessories are growing. The top two markets are Canada and Mexico. Other major markets include Japan, Germany, United Kingdom, Australia, Brazil and China. This webinar will help you manage the challenges and opportunities of exporting automotive parts and accessories abroad.

### Learn about the following topics:

- Typical problems encountered in automotive exports
- Changes in the Harmonized Tariff Schedule
- Duty and Tax rates around the world
- Use of Free-Trade Agreements
- Export compliance (EAR & ITAR)
- Problems with re-importation
- Cargo-security programs: C-TPAT/PIP and FAST

### Question and Answer Session

There will be a question and answer session featuring these experts

- Karen E. MacGillivray, Trade & Customs Advisor, FedEx Corporation
- Mark A. Lombrado, Trade & Customs Advisor, FedEx Corporation

### Who Should Attend?

International marketing and sales managers, as well as those who want to enter new markets.
