The U.S. Commercial Service of the **United States Embassy** in Ottawa invites Canadian government and businesses interested in learning about the latest security technology to be a part of the **U.S. Embassy-led delegation to the ISC West 2013**. [Register](http://www.iscwest.com/Canada) ([www.iscwest.com/Canada](http://www.iscwest.com/Canada)) to receive many valuable benefits, including:

- **Complimentary Show admission –A value of \$75!**
- A listing of U.S. exhibitors at the show, containing location (city, state, zip), product description, and contact person email.
- Pre-show assistance with planning your time at ISC West.

**ISC West** is the largest gathering of security industry leaders, providing exhibitors with access to over \$50 billion in buying power. It is especially important to the vendors as 50 percent of the attendees do not attend any other major security event, with 87 percent saying that they need to be at ISC West.
