

Trade Delegations for WEFTEC

**82nd Annual Water Environment Federation
Technical Exhibition and Conference**

Orange County Convention Center
Orlando, Florida, USA

Conference > October 10-14, 2009
Exhibition > October 12-14, 2009

The Event

WEFTEC's Global Center

The hub of global business networking opportunities.

As international attendance at WEFTEC continues to grow, the Global Center is the place for networking and worldwide business opportunities. In addition to providing registration and logistical assistance for international trade delegations, the Global Center has all the resources needed to match international trade delegates to exhibitors with an eye on global markets. WEFTEC's Global Center is where you come to make important contacts and gain valuable information by interacting with leading manufacturers and representatives in the water and wastewater industry.

Global Center Services

- Registration for international trade delegations
- Translation assistance provided in Chinese, French, German, and Spanish
- International lounge for trade delegates and their hosts
- Message center
- Trade delegate product interest information
- List of exhibiting companies desiring to do business in specific areas of the world
- Rosters of WEFTEC registrants sorted by state/province and country
- Meeting space for international exhibitors

Since its formation in 1928, the Water Environment Federation (WEF) has been holding annual meetings to provide a forum for knowledge and technology exchange within the water and wastewater fields.

WEFTEC – WEF's Annual Technical Exhibition and Conference – offers an unparalleled education and training experience and is a leading source for water quality developments, research, regulations, solutions, and cutting-edge technologies. With 121 Technical Sessions, 31 Workshops, over 1000 exhibiting companies, and numerous special events and programs, it's no wonder WEFTEC is the largest annual water quality exhibition in the world.

of the Year

Increase your exposure at WEFTEC by participating as a trade delegation.

WEF's trade delegation program is designed to support the increasing number of international buyers who visit WEFTEC. The program offers delegates the chance to network with others in the water quality industry from the U.S. and all over the globe, establish business contacts, create partnerships, and share the latest technologies and innovations available to global water professionals. U.S. trade agencies, consulates, embassies and independent delegation organizers work with WEF staff and water and wastewater professionals to coordinate international delegates interested in gaining greater access to international markets.

The Exhibition

WEFTEC Means Business

The water and wastewater industry's leading companies come together at WEFTEC to make international contacts, and to keep global water professionals like you informed and offer you the latest products, services, and technologies. WEFTEC is your key to the multi-billion municipal and industrial wastewater treatment and water quality market.

...and buyers come from all over the world to do business at WEFTEC.

The WEFTEC Technical Program

“In today’s world, solving wastewater management problems is both challenging and complex. If effective solutions are to be found, it is of critical importance to have a forum for the exchange of new ideas, concepts, evolving management strategies, and equipment development. WEFTEC is that forum! By bringing together scientists, engineers, managers, and equipment suppliers from all parts of the world in a forum comprised of workshops, technical presentations, and equipment exposition, WEFTEC is providing a bridge to the world.”

George Tchobanoglous, Ph.D., P.E.
Professor Emeritus of Civil and Environmental Engineering
University of California at Davis

WEFTEC.08 Exhibitor Product Categories on Display	Number of Companies
Solids Processing/Biosolids Management	278
Chemicals and Chemical Handling Equipment	281
Monitoring, Controlling, Sampling and Analysis Products	321
Pipe and Collection Systems	377
Process Equipment and Treatment Systems	485
Pumps and Valves	272
Engineering, Consultant and other Wastewater Services	214
Other Related Products and Services	424

WEFTEC.09 offers a dynamic array of educational opportunities. Technical Sessions will present specific papers on over 23 topics relevant to the challenges and prospects you face each day. The format is mainly podium presentations, with supporting poster presentations that include opportunities to ask questions directly to the experts, as well as panel sessions that include more extensive discussion times. Complementing the Technical Sessions are Workshops, which allow a group of participants to focus on a specific skillset or topic in greater depth. These interactive Workshops, comprised of group exercises, hands-on activities, and extensive Q&A sessions are both challenging and rewarding, providing participants knowledge and skills directly applicable to their work.

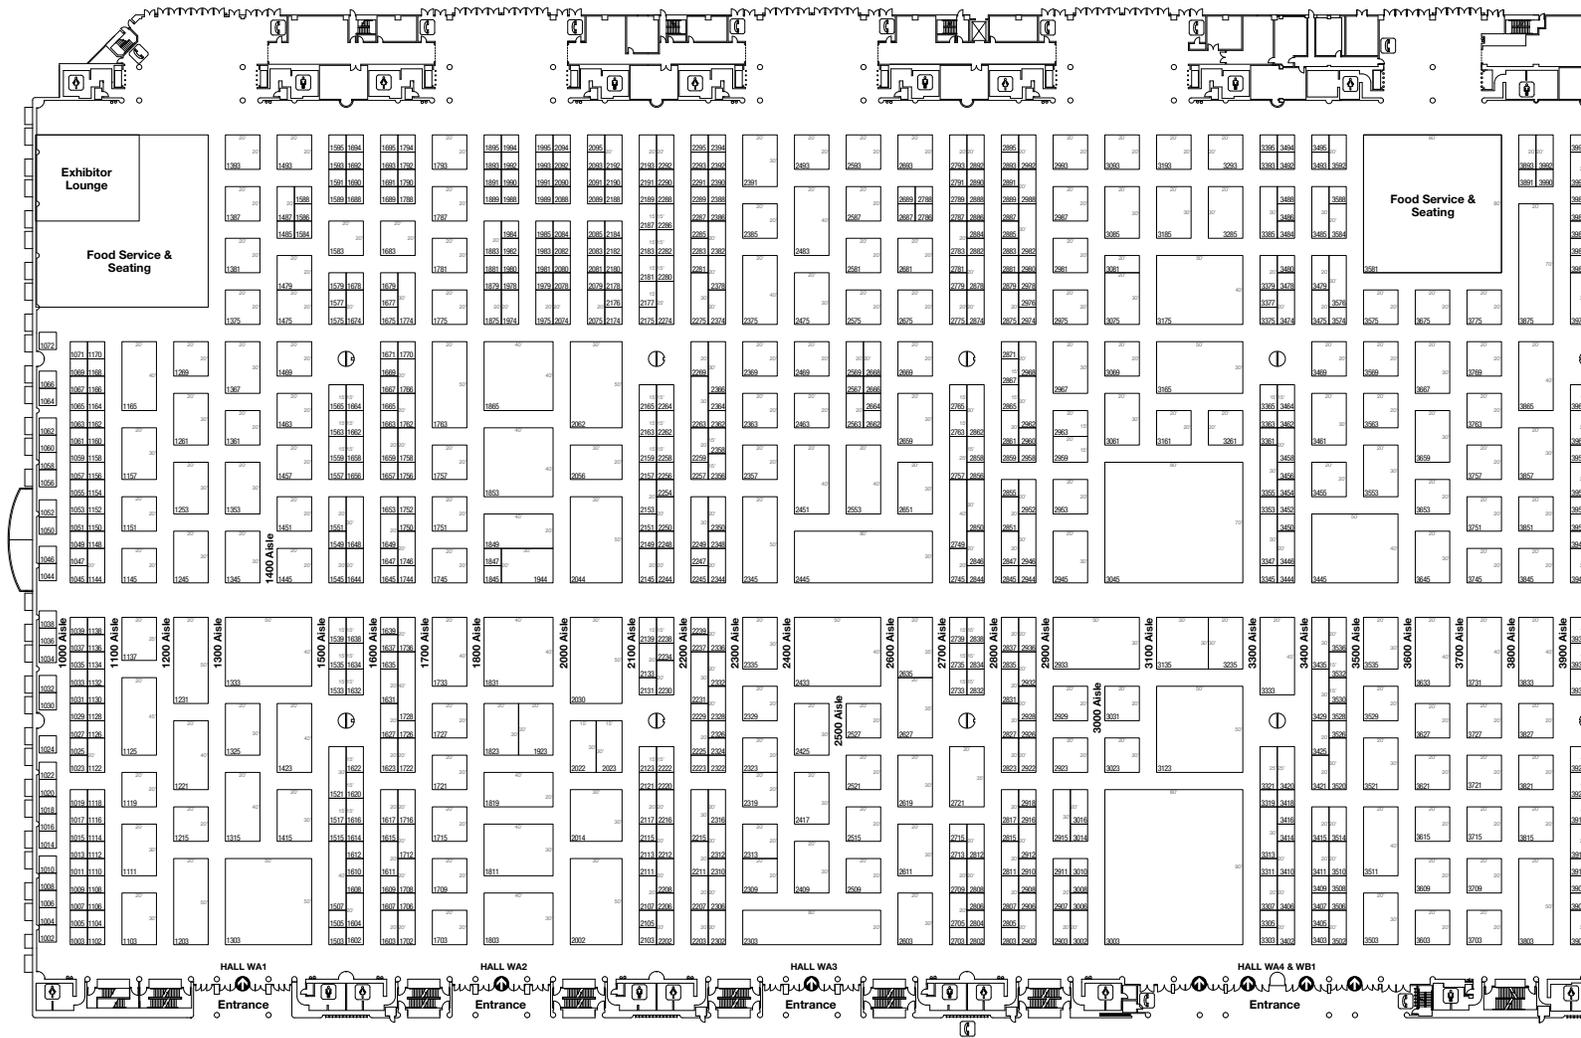

WEFTEC Technical Session Tracks and Workshops Include:

Leading Edge Research	Water Reclamation & Reuse
Industrial Issues	Government Affairs, Public Education, Communication
Microconstituents	Sustainability, Energy Conservation
Municipal Wastewater Treatment Process	GIS & Computer Applications, Instrumentation & Automation
Facility Operations	Solutions for Small Communities
Residuals & Biosolids Management	Young Professionals
Collection Systems	
Watershed Issues	
Utility Management

To qualify for special WEFTEC.09 rates, you must make hotel reservations through Convention Management Resources (CMR). Reservations will not be accepted directly by the hotel. For special assistance or if you have questions, call WEFTEC.09 Housing at 1-888-301-4WEF (4933) or +1-415-979-2298 (globally); 9:00 am – 9:00 pm (Eastern Time).

Confirmations will be sent by e-mail, fax or mail from CMR, not the hotel. This will be the only confirmation you will receive.

Please follow up with CMR if you do not receive your confirmation. All reservation changes and/or cancellations must be made by calling WEFTEC.09 Housing at 1-888-301-4WEF (4933) or +1-415-979-2298; 9:00 am – 9:00 pm (Eastern Time).

One Form per Room Photocopy as needed.

Mail or fax form to:
 WEFTEC.09 Housing
 33 New Montgomery, Suite 1420
 San Francisco, CA 94105
 Fax: +1-415-979-2260

Cancellation Policy: Check hotel for their cancellation policy. If you cancel your reservation less than 72 hours prior to your confirmed arrival date, most hotels will charge the credit card provided to guarantee the reservation in the amount of the first night's room & tax or, if applicable, your check deposit will be forfeited.

Don't be a no-show! The same cancellation policy penalties (see above) will apply, and you will lose your room for subsequent nights of your reservation, if you fail to arrive on your confirmed arrival date. Please contact CMR if you wish to change your arrival/departure dates.
