Mexico City, February 8 to 11, 2005

The U.S. Embassy in Mexico, the U.S. Department of Commerce, and E.J. Krause are pleased to announce the 3d annual USA Pavilion at EXPO COMM MEXICO 2005, Mexico's leading telecom, IT, wireless, networking, and Internet technologies exhibition and conference.

The price for a standard 3x3 meter booth in the USA Pavilion is \$4,500 + IVA. The high visibility and location of the USA Pavilion are difficult to beat, and participating exhibitors receive a variety of benefits in addition to the standard package booth features:

- Inclusion in the USA Pavilion Catalog
- Inclusion in advertising and marketing
- Invitation to speak in the U.S. Seminar Series
- Invitation to U.S. Embassy networking events
- Use of U.S. Business Center in pavilion
- Booth security and daily cleaning service
- On-site support from U.S. Commercial Service staff
