

Business and Professional Women/OH

Present:

Capitalizing on Global Opportunities for Women Business Enterprises (WBE)

The last decade has seen significant growth for women-owned business (nearly twice the rate of comparably sized firms). At the same time, the US government has aggressively pursued trade liberalization to open the doors to new markets for US business. With the growth of opening up worldwide, now is an opportune time business internationally. The US Department of Global Diversity Initiative (GDI) has developed a necessary tools to capitalize on global supported by: Women in International Trade – North American Women Business Owners (NAWBO); Executives (NAFE); eWomen Network; Business & Professional Women/Ohio (BPW/Ohio), Minority Contractors Business Assistance Program (MCBAP – State of Ohio) & Knowledgeable Network of Women (KNOW – Greater Akron Chamber).
