### An Excellent Art Show Opportunity in Windsor, Ontario Canada

**Sponsored by: The Rotary Club of Windsor (1918)**

**Date: June 6 & 7, 2009**

**Location: Beautiful Willistead Park – Windsor, On.**

**On June 6 & 7, 2009 up to 20000 of your potential customers will be attending this 31'st year of Art in the Park.**

**As they walk thru the park sipping on a glass of wine and listening to local jazz groups you will have the opportunity to entice them to purchase your works of art. In these difficult economic times, **this show could be a good opportunity for you.****

**Now one of the larger Art Shows in Ontario we are committed thru aggressive marketing to attract the right customers for all product categories.**

**Further, we are continually improving the customer experience by offering musical entertainment, live art stations, drama space for kids, an expanded food court and 'rest tents' strategically placed throughout the park.**

**This 'juried show' is held in the gated beautiful 'Willistead Park' near downtown Windsor (approx 10 minutes from the Detroit/Windsor tunnel). Historic Willistead Manor, located within the park was originally the home of Edward Chandler Walker the son of Hiram Walker of distillery fame.**

**Participation will enable you to introduce your work to a new customer base. Arrangements have been made to both help you and expedite your clearance through Canada Customs. This should not be an issue of concern.**

**Your Success is Our Success.... We will continually work toward that end!**

**If you are the sole designer, creator and producer of the work being sold, we invite you to fill in the attached application for this superb art show in Windsor.**

**For further information please contact us at the above address or**
