POSTPONEMENT ANNOUNCEMENT OF CIPEE 2008

CIPEE ORGANIZING COMMITTEE regrets to inform you that China (Dongying) International Petroleum Equipment and Technology Exhibition 2008 (CIPEE 2008) will be postponed and rescheduled to be held from 12-14 November, 2008 (former date: 12-14/09/2008), at Dongying International Trade Center, Dongying City, Shandong, P.R. China. This is due to the inconvenience of both domestic and international trade visitors and confirmed exhibitors to arrange exhibition schedules and visa applications during the Grand National Events. We deeply regret any inconvenience caused to both exhibitors and visitors who were looking forward to the event.

We, CIPEE ORGANIZING COMMITTEE believe that any Trade Exhibition can be successful as to provide ample scope for converting the sectors business potential into commerce. Needless to say achieving this objective is entirely dependant upon attracting a sizeable numbers of professional trade visitors relevant to the market from home and abroad. And the Exhibition Management proceeds smoothly at present, we proudly welcome exhibitors and visitors from national government departments and institutes, overseas petroleum associations and organizations, major players from petroleum and petrochemical industry, and delegations from China and overseas.

Please kindly note the arranged Exhibition Schedule:

Build-up Period: 08-10, November, 2008

Exhibition Period: 12-14, November, 2008

Dismantling Period: 15, November, 2008

China International Oil & Gas Conference 2008 (CIOGC 2008) and Market Promotion Conference on New Technologies and Equipments for Petroleum and Petrochemicals are also scheduled to be held concurrently with CIPEE 2008. Over 40 speakers representing Government, Industrial Associations, R&D Institutes, Leading Manufacturers and Service Providers will deliver speeches at CIOGC where est. 600 delegates will attend from home and abroad.

Therefore, in light of the above stated, with much regret and appreciation, we announce the postponement of CIPEE 2008 to this more conducive date in 2008. And we truly appreciate your understanding and long term support for China (Dongying) International Petroleum Equipment and Technology Exhibition 2008 (CIPEE 2008)!

CIPEE ORGANIZING COMMITTEE

July 21, 2008.
