Notes

*Terms with an asterisk next to it denotes new financial terms introduced after the implementation of XBRL from 1 November 2007. See notes below for comparative purposes with previous years:

- 1) Revenue: does not make distinction between operating and non-operating items
- 2) Profit/(Loss) before Tax from Continuing Operations :discontinued operations not taken into consideration
- 3) Profit/(Loss) after Tax from Continuing Operations: discontinued operations not taken into consideration
- 4) Net income/(Loss) from Extraordinary and Non-operating Items: not applicable from for 2007 FY onwards because FRS 1 does not require splitting into operating items and non-operating items in the income statement
- 5) Total Equity: Not necessarily comparable to Shareholders' Fund due to the inclusion of minority interest
- 6) Share Capital: consists of both fully paid up and not full paid capital
- 7) Other Reserves, Total: Might not be comparable to Reserves (Total of all types) because retained earning may be
