

## Inviting Canadian Companies to Join the CONEXPO-CON/AGG/IFPE 2020 in Las Vegas, USA

Canada is investing 180 billion in infrastructure generating the need for a wide range of products & services to build/rebuild roads, bridges, schools, hospitals, ports, airports, urban railways, etc.

Connect with leading U.S. companies to support your construction or aggregate business! ConExpo showcases the best the U.S. has to offer, with exciting new products, technology, and equipment. Held every three years in Las Vegas, ConExpo is North America's largest construction trade show.

Whether connecting directly with potential suppliers or learning more about modular building, modern mobility, sustainability, and smart cities - ConExpo is the resource you need to expand your business.
