

# Solarcon China 2009

Shanghai, March 17-19

U.S. Department of Commerce  
Commercial Service

## Join the U.S. Pavilion at Solarcon China 2009 Shanghai, China

**China's expanding photovoltaic market needs high quality material and equipment. Will your company have a slice of that market?**

The U.S. Commercial Service - Shanghai invites American firms to participate in our U.S. Pavilion at **Solarcon China 2009** to promote the export of U.S. products and services to this rapidly growing photovoltaic (PV) market. The exposition is organized by Semiconductor Equipment and Materials International (SEMI), which has over 20 years experience with Semicon China shows.

Solarcon China will be co-located with Semicon China 2009 at the Shanghai New International Expo Center (SNIEC) from **March 17-19, 2009**. The Solarcon China 2009 show will include more than 10,000 square meters of exhibit space and is expected to draw more than 300 international exhibitors from across the PV manufacturing supply chain.

In addition, Solarcon China will be held in conjunction with the 5th China SoG Silicon and PV Power Conference (CSPV), one of the most influential solar energy conferences in China. For more information on the event, please visit: [www.solarconchina.com/](http://www.solarconchina.com/)

We are eager to work with you to promote your PV products and services in China. By joining the U.S. Pavilion, you will be offered the following services from the U.S. Commercial Service and the show organizer:

- **Pre-show region-wide marketing campaign** to buyers
- **One-on-one briefing** from a U.S. Consulate commercial representative
- **On-site counseling** throughout the show
- **Opportunity to present** at technical sessions at the CSPV conference
- **Free admission** to the VIP reception and dinner, and other networking opportunities
- **Gold Key Service (GKS)** designed to help you find distributors, agents, or business partners in China
- **Tailored services** provided by the U.S. Commercial Service office in Shanghai to help grow your business. For details, please visit: [www.buyusa.gov/china/en/programs.html](http://www.buyusa.gov/china/en/programs.html)
