

List of Urgently Needed Medicines and Medical Equipment (as of May 19, 2008)

(All medicines, medical equipment, and disinfection products should have prior registration in China.)

I. For Epidemic Prevention

FENDONA (alpha-Cypermethrin)

stratagem (Flocoumafen)

mobile sprayer

disposable protective clothing

protective spectacles

protective facial mask

acid-resistant gloves

chemical-proof rubber shoes

II. For Drinking Water Safety

chlorine disinfection tablets

large drinking water treatment units

folding drinking water containers

environment-friendly mobile toilets

residual chlorine detecting instruments

residual chlorine colorimetric boxes

effective chlorine testing paper

rapid water quality testing instrument

III. For Food Safety

ATP fluorescence testing instruments

rapid food safety testing instruments

rapid microorganism testing instruments

two-in-one thermograph for measuring temperature of the food surface and center

ultraviolet ray lumeter

IV. For Protection against Radiation

x and y ray survey meter

surface contamination detector

personal alarm dosimeter

V. Medical Items

1. Medicine

Albumin

Roxithromycin

Tetanus Immunoglobulin

Fentanyl

Doxycycline

2. Appliances

ECG

operation kits

laryngoscope

treatment table

portable operating table

stretcher

electro cardiograph

ambulance

gelfoam sponge

neck collar

fixing belt for shoulder, elbow, collarbone, forearm and rib

thigh and tibiofibula support

portable B-mode

sterilizer

orthopedic fixation screws

anesthesia machine

haemodialysis machine

monitor

bedside X-ray machine

orthopedic internal fixation devices (Kirschner needle, titanium rod and steel sheet)

orthopedic external fixation support

VI. Other Items

INMARSAT telephone

May 16 List of Urgently Needed Medical Equipment

Hemodialysis machines

DNA sequencers

May 15 List of Urgently Needed Items

Items in Urgent Need

Tents

Blankets

Sleeping bags

Stretchers

Wheelchairs

Electric cutters

Hydraulic presses

(Screw) jacks

Small power generators

Small water purifiers/filters

Makeshift housing material

Compressed food

I. Medical Items

Pharmaceuticals

albumin (10g)

tramadol hydrochloride injection (2ml)

Medical equipment

respirators/ventilators (Brands: Tyco, Drager, Newport, Siemens)

rechargeable bedside X-ray machines (Brands: Shimadzu, Siemens, GE)

ECG, multi-functional cardiograph monitors (Brands: Phillips, Siemens, GE, Drager)

II. Search and Rescue Instruments

Life detecting and positioning equipment

Electro-magnetic life detectors

Acoustic/Seismic life detectors

Optical life detectors

Gas detectors

Rescue equipment

Pneumatic bracings and accessories

Hydraulic bracings and accessories

Bipolar hydraulic bracings

Petrol/gasoline breakers/crushers

Mechanical circular saws and diamond rims

Diamond chainsaws and saw blades

Heavy-duty spreaders and cutters

Slitters (wedge jacks)

High-pressure lifting air cushions (11t, 245, 30t) and air cushion accessories

Hydraulic breaking picks

Heavy-duty breaking/pounding hammers

Auxiliary Instruments

Large water purifiers/filters for rescuers in the field

Telecommunications Equipments

Inmarsat Mini-M Stations

Inmarsat M4 Stations

Aces phones

Waterproof intercoms (handheld or headset)
