AGENDA:

Please join us for this reception event with high level officials and companies from China's main equipment producing regions near one of China's main oil fields. The Shandong Chamber of Commerce for Petroleum Equipment and its member companies along with the Mayor of DongYing City are sponsoring this event. They hope to meet with US companies to discuss procurement opportunities for operations in China, new joint venture partnerships, and other business relationships for various projects. They will talk about how U.S. businesses can operate within their region and with Chinese companies. This event will take place on an informal basis, with translators present. There will be a brief presentation to familiarize attendees with this region.

Topics to be discuss during dinner in clued:

- Building effective distribution channels in the China for U.S. Petroleum Equipment Manufacturers
- Legal Issues for Chinese Petroleum Equipment Companies in the U.S., Kevin Michael, Law Offices of Kevin R. Michaels, P.C.
- Investment Opportunities in the Greater Houston Area
- U.S. Commercial Exporting Opportunities with US Commercial Service in China
