What are Indonesian Companies Saying About Our Services?

PT Kalimasada Pusaka
Sutjipto, *President Director*

“Kami sebagai Independent Representative dari Bell Helicopter Textron sangat terbantu oleh U.S. Embassy - Jakarta U.S. Commercial Service di Jakarta; dengan informasi akurat mengenai perusahaan Amerika sehingga membuat kami lebih mudah dalam membuat keputusan”

P.T. Essi Perkasa Utama
Rudy Lumentut, *Direktur*

“I would like to express my appreciation for U.S. Commercial Service’s assistance in introducing us to several U.S. Construction equipment companies. Your organization has also helped men find specific cutting edge technology equipment for road construction, flood control heavy duty pump and others. I believe someday we could find the product and the company to work together to market their product into Indonesia.”

U.S. Embassy Commercial Service Convenes Water Systems Roundtable for Sumatra Officials

U.S. Embassy Commercial Service held a Roundtable discussion for 30 officials from Sumatra on May 27, 2015. U.S. Consulate in Medan recruited the delegation, and co-promoted U.S. tech solutions for municipal and industrial water systems. Three U.S. Companies were invited to present and the senior officer from the U.S. Embassy provided welcome remarks. Padang and South Sumatra delegates showed a high interest in clean water and smart cities concepts. The roundtable gave an opportunity for delegation to share their issues and learn what U.S. companies can do for them.
