### **What is the Business Service Provider Directory?**

Our Business Service Provider Directory on the U.S. Commercial Service, Mexico website lists several business support organizations and professional service firms with the experience and expertise to help U.S. exporters and investors interested in Mexico. Although these lists are not comprehensive, they are a useful starting point for firms that need professional services.

The URL for our English-language website is

### **What is the cost of being listed?**

The cost is \$250 for a one-year listing.

### **Can both U.S. and foreign firms be listed?**

Yes. A company listed in the directory may be U.S. or foreign-owned. Location is not important.

### **What is included in a listing?**

A listing includes a 100 word text, your contact information, your company logo and a link to your website. Your company will be listed under the appropriate category (e.g. legal services) along with other providers that have paid for a listing.

## **How do I register?**

Simple. Just complete the Business Service Provider Directory online application and send along with a letter of interest (mentioning your main clients or affiliations that can recommend you for business) to [Patricia.Toledo@mail.doc.gov](mailto:Patricia.Toledo@mail.doc.gov)

We will send confirmation of acceptance and an online participation agreement for your review and payment.

If you choose to pay by check, please make it in the amount of US\$250 payable to “U.S. Department of Commerce” and send it to the address below. We will post your listing within 5 working days of receipt of payment and the required information.

## **Can any business be listed?**

No. We pre-screen businesses that would like to be listed in our Business Service Provider Directory to ensure that the services they offer are appropriate to U.S. exporters and investors interested in expanding their sales in or entering the Mexican market. We also reserve the right to decline companies based on other factors, such as negative reputation, potential harm to U.S. interests, and possible embarrassment to the U.S. Government.

## **Can I have changes made to the listing after I submit it?**

Yes. We will make reasonable changes to contact information when needed and other timely updates to the listing. For significant changes, in the text or logo, a US\$20 fee applies after you have reviewed and approved your information.
