BedRock International is a newly established company who manufactures imitation rocks that have been designed to accommodate deceased cremated remains. This product provides for a memorial plaque and cameo and includes a flower vase. BedRock International markets this product to cemeteries, crematoriums and domestic home gardens.

This is an internationally patented product and has been sold in a number of countries around the world including Australia, New Zealand and China.

The BedRock comes in a variety of colours and textures including sandstone, natural, yellow and red. We have a number of different designs with varying plaque recesses dependent on our clients instructions.

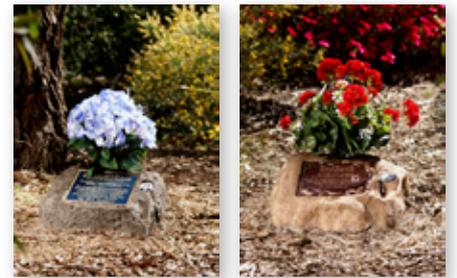

The BedRock is a fresh idea that offers an alternative to the traditional methods of the interment of deceased cremated remains. This product is not only functional but also is very esthetically pleasing as it compliments any garden setting. As the BedRock is hollow it provides for any tributes or trinkets that the deceased family may want to place with the ashes.

BedRock International also manufactures the PetRock. The PetRock is a smaller version of the BedRock and has been designed for installation in Pet Cemeteries and domestic home gardens. Now you can take your beloved pets with you should you decide to shift residence.

BedRock International 是一家專門提供用火化骨灰仿製石頭的生產商，成品包括紀念碑、浮雕、花瓶等部份，可放置在墓園、火化場館、私人花園。這項產品已申請了國際專利，並已引入全球多個國家如澳大利亞、新西蘭、中國等。仿製石頭的颜色和質感十分多樣化，包括沙岩樣式、天然樣式、紅及黃色等。款式可配合客人的各樣要求。BedRock是一個安置骨灰的嶄新概念，實用且美觀，可配合不同的環境要求。

BedRock亦有提供寵物用的PetRock，比BedRock的體積較小，可安放在寵物墓園和私人花園，讓您搬家時都可帶著心愛的牠。
