**CONEXPO Russia**

**Date:** September 15-18, 2008

**Location:** Crocus Expo, Moscow

**CONEXPO Russia 2008** is bringing its inaugural construction trade show to Russia. CONEXPO Russia will be a major event for the construction, utility, and forestry industries in Russia and surrounding states, featuring the latest in equipment, technologies, and education.

CONEXPO Russia is an outstanding opportunity for you to meet potential distributors and end users, see competitive products and technologies, and learn more about this strategic industry first hand.

The event is supported by Russian contractor groups, exhibiting manufacturers, and government agencies in Russia and surrounding states.

Conexpo Russia has earned the U.S. Department of Commerce accreditation as a "Certified Trade Fair."
