ASIA'S INTEGRATED ENERGY TRANSFORMATION

EXHIBIT AT THE USA PAVILION AT THE FUTURE ENERGY ASIA EXHIBITION 2020

ABOUT THE EXHIBITION & CONFERENCE:

- ✓ Southeast Asia's most important International Energy, Gas, LNG and Renewables Exhibition & Conference
- ✓ Co-created and supported by the Ministry of Energy Thailand, EGAT and PTT
- ✓ One stop shop for key buyers including Government Leaders, National Oil Companies, International Oil Companies, Gas, LNG and Power Generation Companies

The key message we wish to drive with the introduction of the 2018 Future Energy Asia Exhibition & Conference is to bring professionals from across Asia & the world to share their experiences and collaborate on how the industry can integrate renewable energy and traditional fossil fuels and make this model resilient, affordable and sustainable.
